**darianwoolley@
gmail.com**

UCI student eager to gain work experience in the software and design industry. Experienced in problem-solving and communication. Values creativity and efficiency in their work. Enjoys gardening, cooking, painting, sewing, and walking among other tentative hobbies.

Experience

*References available upon request

Geek Estate, Remote— *Community and Marketing Manager*
May 2022 - Present

Working directly with Founder/Owner on content development, email campaigns, managing social media accounts, communicating with members, and marketing to leads.

Google CSSI summer program, Virtual Remote — *Participant*
Summer 2021

Participated in a 4-week intensive computer science summer program for high-achieving students. Completed an introductory project-based JavaScript processing curriculum taught by Google engineers. Configured 16 individual coding projects in JavaScript by using concepts such as variables, data types, and functions. Delivered a collaborative final project presentation that included a live demonstration to Google employees and community leaders.

Lone Wolf Technologies, Remote — *Customer Support*
July 2020 - July 2021

Utilized communication and logic skills to provide customers with efficient and comprehensible service. Worked with co-workers in support and software development to track past and current issues.

Ensign Intermediate School, Newport Beach— *Volunteer Tutor*
September 2017 - March 2020

Collaborated with students to create better study and homework habits. Used communication skills and personability to create an understanding and supportive learning environment. Worked one on one and in group settings.

Newport Harbor High School, Newport Beach— *Link Crew Leader*
June 2019 - June 2021

Attended 3-day training session consisting of team building activities, practicing communication skills, and building supportive relationships. Then used these skills to help freshmen students feel more welcomed on campus and encouraged school involvement.

Education

Newport Harbor High School, Newport Beach — *Graduated 2021*

Maintained an unweighted GPA of 4.0

Participated in the Junior Mentor Program in 2019/2020 under a Senior Web Developer.

Member of National Honor Society for 2019-2021.

University of California, Irvine — *Graduating 2025*

Skills

CodeHS certified in Python, JavaScript, and Java programming languages

Attended leadership workshops that emphasized communication and problem solving
